Brand Introduction & Product Brochure

Brand Introduction

KLARUS is the inventor of the Tail Tactical Dual-switch UI. It has been designated as the lighting equipment brand for over 58 countries' military and law enforcement department .**KLARUS** mission is to provide illumination solutions to global military forces, law enforcement personnel, and outdoor enthusiasts, under the most adverse circumstances. **KLARUS** products aim to offer the maximum protection to users from the darkness and punishing environments.

For over 16 years, **KLARUS** research for lighting products' quality, dependability, and variety has never stopped. **KLARUS** current offering covers a wide range of tactical flashlights, camping illuminations, headlamps, and accessories. These products are sold worldwide in over 100 countries and regions, widely issued to military and law enforcement personnel, and used by consumers in the utility, outdoor, hunting, home preparation, and other sectors.

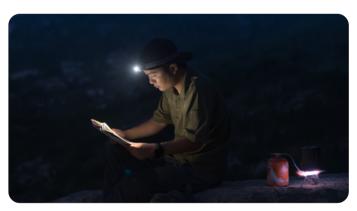

KLARUS closely monitors the changing conditions of the market and consumers' needs and updates its creations to offer the best combination of technology and design to meet those demands. The ultimate goal of **KLARUS** is to help the users in meeting every need, no matter when or where, with the most intuitive lighting tools possible.
